

Authorization to Act on Behalf of NEC's Member of Record

NEC is looking out for you

Navopache Electric Cooperative (NEC) is dedicated to protecting your account information. To protect your information, NEC requires written authorization from our members to share account information with a third party, such as other utility companies, energy service providers, relative or friend.

Check the appropriate box

- Ongoing Authorization:** I understand signing this form gives authorization to the third-party to perform all of the following actions. This shall remain in effect until I close my NEC account or cancel this authorization in writing:
- Receive billing, payment, outage, and usage information
 - Change the price plan
 - Update the mailing address
 - Request a payment arrangement or extension

Mail Monthly Billing Statement to:

- Member of Record
 Authorized Third Party
 Member of Record and Authorized Third Party

- One Time Authorization:** This is a one-time authorization for NEC to provide a Usage History to the authorized third party.
- One Time Authorization:** This is a one-time authorization for NEC to provide Payment History information to the authorized third party.
- One Time Authorization:** This is a one time authorization to release the following to the authorized third party:

I (NECs Member of Record) authorize NEC to release information to, and accept account changes as specified above from the authorized person or company listed on this form. I also understand that a separate form will be needed for each NEC service address, as well as for each individual or company authorized. This authorization does not include starting a new service or transferring an existing service into my name.
