Re: Navopache Electric Cooperative Scholarship

Navopache Electric Cooperative (NEC), is pleased to announce and offer a Scholarship Award for graduating students.

GENERAL CRITERIA:

1. **Amount:** The scholarship is a \$3,000 scholarship; \$1,500 per semester for two semesters. There is a four year school term limit on receiving the scholarship money.
2. **Eligibility:** Parents and/or guardians of the student applying must have an active account and live in NEC's service territory.
3. **Type:** Scholarship would apply to a university, college, junior college, or vocational/trade school.
4. **Need:** NEC's goal is to reach students who have limited financial aid opportunity or other funding sources. *NEC would like to stress that the goal is to award these scholarship funds to students who are not receiving other scholarships or financial aid.*
5. **Selection:** The scholarships will be awarded by a Scholarship Selection Committee as designated by the Board of Directors Educational Committee.
